

Online Marketing Services That Save Natural Gas Companies Time & Money!

The American Public Gas Association Introduces A Valuable New Marketing Tool: NaturalGasMarketingCenter.com

Natural Gas Marketing Center is your one-stop source for all your marketing and advertising needs. You can design and customize your advertising online instantly, saving you valuable time and money. You can select, customize and produce "camera-ready" artwork in seconds. Direct mail and print quantities can be selected, while art files are sent electronically to a selected mail house or printer. Media insertion orders can be generated for print ads and can be sent along with artwork to any publication. An order history feature archives ad campaign details, expenses and artwork.

For a limited time members of the APGA can subscribe to this valuable service for only \$199 per month with a \$199 set-up fee (Non-members pay \$399 monthly with a \$399 set-up fee).

For more information on this new service being offered by the APGA, please fill out the information on the back and fax to 404-943-1634 or register online at www.NaturalGasMarketingCenter.com.

Turn up the **HEAT** on your advertising!

The American Public Gas Association welcomes you to the Natural Gas Marketing Center, where you will find top quality marketing materials for your company. We have created materials you can use for a fraction of the cost if you were to produce them yourself or hire an outside advertising agency.

Natural Gas Marketing Center is your one-stop source for all your marketing and advertising needs. You can customize your advertising online instantly, saving you valuable time and money. If you are a registered user you can login now and start using the site. If you are not a registered user, please register and a representative will contact you to discuss how Natural Gas Marketing Center can add value to your company.
